

GARDENING *Workshop*

SEED SAVING

Join Kelly Leask from Prairie Originals to learn about Manitoba's native prairie plants and the role of gardens and gardeners in their conservation. The conversation will have a focus on seed saving with tips on harvesting, cleaning and storing a variety of seeds as well as propagating your own plants. Free. Registration required.

HENDERSON LIBRARY

1-1050 Henderson Highway

Tuesday, August 29: 6:30-8 pm

OSBORNE LIBRARY

625 Osborne Street

Thursday, August 31: 6:30-8 pm

Attention Seed Savers! Osborne Library is starting a seed library. Learn all about seed saving at this workshop and at harvest time consider saving some seeds from your healthiest and most vigorous plants, for our library. Learn more about the Osborne Seed Library at Winnipeg.ca/library (choose Osborne Library under Locations and Hours).

Phone, visit or go online at winnipeg.ca/library to register.
